do nothing to save her. They told me that many lives could be saved if I agreed to donate her organs. I had always dreamt of doing her 'kanyadaan' some day, but that could not happen, at least I could do her 'angdaan' (organ donation)... some other children will live," said Devi on Wednesday.

Dr Aarti Vij, who heads AIIMS's Organ Retrieval banking Organisation, said awareness about organ donation actually helps people to decide when the time comes. "It is always an emotional moment for the family as they have just lost a dear one, and they have a decision to make regarding donating organs. It does help in counselling family members if there has already been a discussion on organ donation before," she said.

Doctors at AIIMS said that Lata's heart was successfully transplanted to a patient in AIIMS, her liver and one kidney was allocated to the Institute of
